# BIOWASH™ SURGICAL IRRIGATION<sup>+</sup>

## BIOWASH™ Product Features<sup>1</sup>

- Safe for extended exposure<sup>2</sup>
- No discomfort, no irritation
- Suitable for a wide range of patients
- pH balanced surfactant
- Simple application, no immediate rinsing needed

Testing of BIOWASH™ was conducted against pathogens which commonly cause infections. Compared to irrigants requiring immediate rinsing, residual BIOWASH™ product can safely remain in the wound.

*In Vitro* testing of BioWASH shows a reduction in microbial contamination in the packaging.”

*In Vitro*: Microbial Contaminant Reduction Testing
